Project Description

This \$6M Jacksonville Fire and Rescue Department – Fire Station No. 64 project through the City’s continuing CEI contract was constructed on Harts Rd., just off Dunn Ave. for the creation of a new 9,700 SF facility that consisted of three fire engine bays, a bunk room that sleeps 10 firefighters, a kitchen and dining room, a dispatch and communications room, IT communication system, a locker room, and fitness room. The project included split face CMU block, wood truss roofing with asphalt shingles, electrical, utility, HVAC, plumbing, drainage, fencing, and other incidental construction.
