Project Description

This \$3M Fire Station No. 39 project through the City's continuing CEI Contract. This project is being constructed on Festival Park Ave., just off Gator Bowl Blvd. in the Downtown area for the creation of a new facility that will have the ability to house traditional JFRD operations, as well as JFRD's marine operations. The land portion of the project consists of 3 fire engine bays, a bunk room, a kitchen and dining room, a dispatch and communication room, a locker room, and a fitness room. The waterborne portion of the project includes over 200 LF of steel sheet pile bulkhead with a concrete cap, boat docks supported by 18" square concrete piles - all barge driven, a floating dock with gangway, and electrical and water utility services.
